

Slim Pelle

Il gioco di forme e volumi differenti dal sapore particolarmente moderno viene reso più classico grazie all'impugnatura rivestita in vera pelle italiana, naturale espressione della lavorazione artistica del pellame.

A combination of diverse forms and volumes with a particularly modern flavour is given a classical touch thanks to the handgrip in real Italian leather, a natural expression of the artistic handcrafting of leather.

L'impugnatura di questa maniglia in ottone è stata "vestita" di pregiata pelle, conciata artigianalmente in Italia, che trasmette una piacevole sensazione di morbidezza alla mano.

The handgrip of this brass handle has been "dressed" in premium leather, tanned by craftsmen in Italy that transmits a pleasant sensation of softness to the hand.
